SIR,

As required in the Concluding paragraph of Government order No. 7445/16992 dated 25th December 1896, I have the honor to State that the Amildar reports that the Collectors of fees on Cattle brought for Sale at the fair at Chunchinkatte during the Rattotsava had to be paid at 10 per Cent of the Collections during the last Rattotsava in January 1897, as on account of the outbreak of Cholera at the time people did not readily come forward. The rate may be reduced to 8 per Cent in the future years.

SIR,

With reference to Government Proceedings No. C 145 / Fn 169-92 dated 26th April 1892 remarking that the rate of remuneration to persons employed on collecting taxes from Cattle Vendors at the Chunchankatte Jatra may be further reduced, so that it may be less than 8% of the realization, I beg to state that the Amildar reports that any thing less than 8% would not induce men to undertake to do the duty honestly and that therefore the rate 8% cannot be further reduced.
